

Gossamer Bio, Inc. Announces Extension of Early Tender Date for Exchange Offer and Consent Solicitation with Respect to Existing Convertible Notes

June 2, 2026

SAN DIEGO--(BUSINESS WIRE)--Jun. 2, 2026-- Gossamer Bio, Inc. (NASDAQ: GOSS) (the "Company" or "Gossamer"), a biopharmaceutical company focused on the development and commercialization of serralutinib for the treatment of pulmonary arterial hypertension (PAH) and pulmonary hypertension associated with interstitial lung disease (PH-ILD), today announced that it has extended the early tender date (as extended, the "Extended Early Tender Date") until 5:00 p.m., New York City time, on June 2, 2026 with respect to its previously announced exchange offer (the "Exchange Offer") and consent solicitation (the "Consent Solicitation") to exchange any and all of its 5.00% Convertible Senior Notes due 2027 (the "Existing Convertible Notes") for a pro rata portion of (i) up to \$72.0 million in aggregate principal amount of its new 7.50% Convertible Senior Secured First Lien Notes due 2030 (the "New Convertible Notes"), (ii) up to 317,647,058 shares of its common stock (the "Common Stock") or, in lieu of issuing shares of Common Stock to the extent such shares would cause any Eligible Holder (as defined below) to beneficially own greater than 9.99% of the outstanding Common Stock, prefunded warrants to purchase shares of Common Stock (the "Prefunded Warrants" and, together with the Common Stock, the "Equity Securities") and (iii) with respect to Eligible Holders who tender prior to the Extended Early Tender Date, warrants to purchase shares of Common Stock (the "Purchase Warrants" and, together with the New Convertible Notes and Equity Securities, the "Offered Securities"). As a result, the Company also announced that the expected early settlement date of the Exchange Offer, if any, is now expected to occur on June 4, 2026, the second business day immediately following the Extended Early Tender Date. The deadline to validly withdraw tenders of the Existing Convertible Notes was not extended by the Company, and expired at 5:00 p.m., New York City time, on June 1, 2026 (the "Withdrawal Deadline"). As a result, and because the Withdrawal Deadline is not being extended, tenders of the Existing Convertible Notes and related consents may no longer be withdrawn, except in limited circumstances where additional withdrawal rights are required by law.

As of 5:00 p.m., New York City time, on June 1, 2026, based on information provided by D.F. King & Co., Inc., which is acting as the exchange agent and information agent for the Exchange Offer (the "Exchange Agent"), \$181,052,000 in aggregate principal amount of Existing Convertible Notes was validly tendered in the Exchange Offer and not validly withdrawn (such notes, the "Early Tendered Notes") and related consents to the Proposed Amendments, as defined in the offering memorandum relating to the Exchange Offer and Consent Solicitation (the "Offering Memorandum"), were validly delivered and not validly withdrawn as of such time. It is a condition to the Exchange Offer that a minimum of 98% of the aggregate principal amount of Existing Convertible Notes be validly tendered (and, if applicable, not validly withdrawn).

Holders of Existing Convertible Notes that validly tender their Existing Convertible Notes prior to the Extended Early Tender Date will be entitled to the Total Consideration, including the Early Exchange Premium, as defined in the Offering Memorandum. The Expiration Deadline for the Exchange Offer remains 5:00 p.m., New York City time, on June 16, 2026 (such time and date, as the same may be extended, the "Expiration Deadline"), unless extended or earlier terminated. If all conditions to the Exchange Offer have been or are concurrently satisfied or waived at or prior to the Expiration Deadline, unless extended, the Company will accept for exchange any remaining Existing Convertible Notes that were validly tendered in the Exchange Offer following the Extended Early Tender Date and at or prior to the Expiration Deadline (the date of such exchange, the "Final Settlement Date"). The Final Settlement Date, if any, will be promptly after the Expiration Deadline and is currently expected to occur on June 18, 2026, the second business day immediately following the Expiration Deadline. Except as set forth herein, all other terms and conditions of the Exchange Offer and Consent Solicitation remain unchanged as set forth in the Offering Memorandum.

The Exchange Offer and Consent Solicitation may each be amended or further extended at any time prior to the Expiration Deadline and for any reason, and may be terminated or withdrawn if any of the conditions of the Exchange Offer and Consent Solicitation are not satisfied or waived by the Expiration Deadline (as it may be extended), subject to applicable law and, if applicable, the terms of the Transaction Support Agreement. Subject to applicable law and, if applicable, the terms of the Transaction Support Agreement, the Company may extend the Expiration Deadline at any time.

The New Convertible Notes, Purchase Warrants, Prefunded Warrants and shares of Common Stock offered in the Exchange Offer are being offered only to holders of Existing Convertible Notes that are "qualified institutional buyers" as defined in Rule 144A under the Securities Act ("Eligible Holders").
